

AMERICAN JUDGES ASSOCIATION DOMESTIC VIOLENCE BOOKLET

This document, created by the End Domestic Abuse Wisconsin — Wisconsin Coalition Against Domestic Violence — Legal Department, does not constitute legal advice.

The American Judges Association released its own domestic violence booklet, which includes various information on the signs and definitions of different types of abuse within the domestic violence umbrella, including symptoms of emotional abuse. The booklet may be a valuable educational resource for the public and victims, as well as a resource for identifying different types of abuse present in an abusive relationship.
