

LOW INCOME TAXPAYER CLINICS

Low Income Taxpayer Clinics (LITC) assist low income individuals who have a tax dispute with the IRS, and provide education and outreach to individuals who speak English as a second language (ESL).

LITCs can represent you before the IRS or in court on audits, appeals, tax collection matters, and other tax disputes. Services are provided for free or for a small fee.

Although LITCs receive partial funding from the IRS, LITCs, their employees, and their volunteers are completely independent of the IRS.

In order to qualify for assistance from an LITC, generally a taxpayer's income must **be below a certain threshold**, and the amount in dispute with the IRS is usually less than \$50,000.
